

Exceptional is the standard at Carden Beach. The finest materials and workmanship are in every residence, and buyers may customize and individualize their residence during the construction process by working with our builder. This final phase of Carden Beach offers 14 free-standing one or two story villa homes ranging in size from 2300 to 5000+ square feet, with commanding, uncompromising sea views, pool, and 2 car garage. And, 5 first floor and 5 second floor condominium residences ranging in size from 1890 to 3240 square feet, each with a cool shaded gallery and spectacular features.
